MESSAGE FROM THE CHAIRMAN

致广大支持关爱泰昌的朋友们：

二十一世纪是诚信的世纪，是创新的世纪，我们将秉承“正直、诚实、勤奋、奉献、创新、责任”的企业价值观，及“为客户创造价值，为员工搭建平台为股东实现理想，为社会贡献力量”的企业使命，致力于高品质产品的研发、制造和销售。

泰昌的发展，得益于正确的发展思路，产品的优良品质，服务的不断提升，更得益于一线职工对工作的一丝不苟。

泰昌的壮大，是泰昌与客户合作双赢的最好佐证，我们知道“唯有用心，才能更好”！我们会用心去经营我们的事业，用心对待每一位客户，为客户创造更优质的产品和服务而奋斗。泰昌人将依靠超前的企业发展战略，完善的企业规章制度，精干务实的企业团队，精良的产品工艺，先进的技术产业结构。用智慧和心血，来实现企业的愿景。

泰昌感激和尊重每一位客户，也期待与您建立更富有创造价值的战略合作关系。

董事长：

To all friends who support and care for Taichang:

The 21st century is a century of integrity and innovation. We will adhere to the corporate values of "integrity, honesty, diligence, dedication, innovation, and responsibility" and "create value for customers, build a platform for employees, and realize ideals for shareholders. , Contribute to the society" corporate mission, is committed to the research and development, manufacturing and sales of high-quality products.

The development of Taichang benefits from the correct development ideas, the excellent quality of products, the continuous improvement of services, and the meticulous work done by front-line workers.

The growth of Taichang is the best proof of win-win cooperation between Taichang and customers. We know that "only with intentions can we be better"! We will run our business with heart, treat every customer with heart, and strive to create better products and services for customers. Taichang people will rely on the advanced enterprise development strategy, perfect enterprise rules and regulations, lean and pragmatic enterprise team, sophisticated product technology, advanced technology and industrial structure. Use wisdom and hard work to realize the vision of the company.

Taichang appreciates and respects every customer, and looks forward to establishing a more value-creating strategic partnership with you.

Chairman: Yanzhou Yang

公司简介 →

COMPANY PROFILE

沧州泰昌管道装备有限公司成立于2012年，位于“中国管道装备管道生产基地”盐山县经济开发区正港园区，西临205国道、京沪高速公路，东临黄骅港、荣乌高速公路，交通十分便捷，是广大客户理想的合作伙伴。

公司占地面积3.5万平方米，建筑面积2.5万平方米，注册资本9200万元。是生产高、中、低压钢制有缝管件、钢制无缝管件、锻制管件、钢制锻造法兰系列管道产品及支吊架与防腐保温管道管件的专业厂家，主要材质有不锈钢、碳钢、合金钢、双相钢、镍基合金、钛基合金等，拥有先进的钢制管件、钢制法兰、支吊架、防腐保温生产设备和检测设施，目前公司主要生产设备有推制机、弯管机、液压机、坡口机、车床、钻床、交直流电焊机、吊车、锯床、热处理炉、防腐保温生产线等，检测设备主要有光谱元素分析仪、磁粉探伤仪、里氏硬度计、超声波测厚仪、万能材料试验机、冲击试验机、冲击试验低温槽、金相显微镜、各式卡尺等。并取得“压力管道元件”制造许可证，能够按照国内、国际标准及客户需求生产各种规格、材质的弯头、三通、四通、异径管、管帽、弯管及法兰等系列管道配件及支吊架与防腐保温管道管件产品，公司技术力量雄厚，能独立研发产品，满足客户的特殊要求，检测设备齐全，能全过程的检测原材料、半成品及成品质量。

近几年来我公司产品广泛应用于石油、化工、核电、造纸、船舶、冶金、食品、制药、机械、新能源等行业。多年来的努力使我公司在信誉、管理、产品质量及售后服务等方面获得很大的提高，并获得客户的一致好评。

公司始终坚持“创新管理、持续改进、客户至上、精心服务”的质量方针，坚持以市场为导向，以灵活的机制，充分利用自有的人力资源优势和产品优势，建立和实施了产品从原材料进厂到成品出厂的全过程质量控制，坚持“质量第一”的原则，树立“预防为主”的观念，生产过程中的各关键工序建立了质控点，对关键过程的控制以及日常工作质量，适时开展内部审核和管理评审，采取体系控制与动态管理相结合，从而带动了整体产品质量和服务质量的提高，公司以高素质的员工队伍、一流的厂房设备、先进的生产工艺和检测设备、现代化的管理模式、完备的资格证书为依托，实现公司走向规范化、规模化。

Cangzhou Taichang Pipeline Equipment Co., Ltd. was established in 2012. It is located in Zhenggang Park, Yanshan County Economic Development Zone, the "China Pipeline Equipment Pipeline Production Base", with 205 National Highway and Beijing-Shanghai Expressway in the west, Huanghua Port and Rongwu Expressway in the east, The transportation is very convenient, and it is an ideal partner for our customers.

The company covers an area of 35,000 square meters, with a construction area of 25,000 square meters and a registered capital of 92 million yuan. It is a professional manufacturer of high, medium and low pressure steel seamed pipe fittings, steel seamless pipe fittings, forged pipe fittings, steel forged flange series pipeline products, supports and hangers and anti-corrosion and thermal insulation pipe fittings. The main materials are stainless steel, carbon Steel, alloy steel, dual-phase steel, nickel-based alloy, titanium-based alloy, etc., with advanced steel pipe fittings, steel flanges, supports and hangers, anti-corrosion and heat preservation production equipment and testing facilities. Machines, pipe bending machines, hydraulic machines, beveling machines, lathes, drilling machines, AC and DC welding machines, cranes, sawing machines, heat treatment furnaces, anti-corrosion and heat preservation production lines, etc. , Ultrasonic thickness gauge, universal material testing machine, impact testing machine, impact test low temperature tank, metallographic microscope, various calipers, etc. And obtained the "pressure pipeline components" manufacturing license, can produce elbows, tees, crosses, reducers, pipe caps, elbows and flanges of various specifications and materials in accordance with domestic and international standards and customer needs. Pipe fittings, supports and hangers and anti-corrosion and thermal insulation pipe fittings products, the company has strong technical force, can independently develop products to meet the special requirements of customers, and has complete testing equipment, which can test the quality of raw materials, semi-finished products and finished products in the whole process.

In recent years, our company's products have been widely used in petroleum, chemical, nuclear power, paper, shipbuilding, metallurgy, food, pharmaceutical, machinery, new energy and other industries. Over the years, our company has greatly improved its reputation, management, product quality and after-sales service, and has won unanimous praise from customers.

The company always adheres to the quality policy of "innovative management, continuous improvement, customer first, and meticulous service", adheres to the market-oriented, flexible mechanism, makes full use of its own human resource advantages and product advantages, and establishes and implements products from raw materials. The whole process of quality control from entering the factory to the finished product leaving the factory adheres to the principle of "quality first", establishes the concept of "prevention first", establishes quality control points for each key process in the production process, and controls the key process and daily work. Quality, timely carry out internal audit and management review, and adopt the combination of system control and dynamic management, thus driving the improvement of overall product quality and service quality. Relying on equipment, modern management mode, and complete qualification certificates, the company has become standardized and large-scale.

人文关怀 →

HUMANISTIC CONCERN

敬天爱人!

包含有敬畏之心，感恩之心，利他之心！

所谓“敬天”就是按照事物的本性做事
即客观规律。

所谓“爱人”就是按人的本性做人，即利他。

坚信：不论在企业经营方面还是在人生中

只要心怀纯粹的愿望并不懈努力

就一定能迎来美好的未来！

Respect the law and put people first

It includes awe, gratitude and altruism!

The so-called "respecting heaven" is to do things according to the nature of things

That is, objective laws.

The so-called "love" is to behave according to human nature, that is, altruism.

Firmly believe that: no matter in enterprise management or in life

As long as you have pure desire and make unremitting efforts

Will surely usher in a better future!

SCIENTIFIC RESEARCH FORCE

精英才俊 锐意进取 Elites and Talents Keeping Enterprising

泰昌视科技研发为企业生命力，深谙是人才团队的智慧成就了泰昌的品牌、品质。为使泰昌产品更趋完美，不吝重金聘请一批高级技术顾问和高职称的研究制造专业人士、高级工程师加盟，用他们的智慧培养员工，加上生产工人孜孜以求的工作态度，注重每一个生产细节从而形成了泰昌在强势品牌战略中最坚不可摧的堡垒。

Taichang regards scientific and technological research and development as the vitality of the enterprise, and understands that it is the wisdom of the talent team that has made Taichang's brand and quality. In order to make Taichang products more perfect, it has spared no expense to hire a group of senior technical consultants, research and manufacturing professionals and senior engineers with high professional titles to join in, train employees with their wisdom, and pay attention to every production detail with the working attitude of production workers. Thus, Taichang has formed the most impregnable fortress in the strong brand strategy.

胸有鸿鹄之志，方可一举万里。正是在这种宏伟方针指引下，多年来，泰昌积极开拓，不断进取，并充分利用现代科技信息网络及时把握市场信息，从未停止过前行的步伐。时至今日，经历过几多风雨洗礼的泰昌管道，在执着和创新中一路走来，务实的泰昌人始终稳步前行，已在造纸、造船、石油、化工、电力、天然气、水处理、核能、建筑等行业相关领域都取得了诸多辉煌成就。

The person who has lofty aspirations can achieve success. Under the guidance of this grand policy, Taichang has been actively pioneering and kept enterprising continuously for many years. It makes full use of modern technology and information network to grasp market information timely and never stops moving forwards. Till now, Taichang Pipe line Equipment Co., Ltd., which has undergone many hardships and difficulties, is keeping moving with perseverance and innovation. The truth-seeking Taichang personnel are moving steadily and have achieved numerous splendid successes in many industries such as pulp & paper, shipbuilding, petroleum, chemical industry, electric power, natural gas, water treatment, nuclear power and construction etc.

品质服务 →

QUALITY SERVICE

保障售前、售中、售后全过程的中心服务是我们的宗旨，它日益成为广大客户对公司提出的基本要求，我们不断优化企业内部管理，提升员工的服务意识等一系列措施，使每个泰昌的用户都能体会到我们的服务口号“体您所需、用心服务”。此外，我们已组建了集销售、服务与一体的强大营销网络，公司的新产品和各种服务都能及时、全面地到达市场和用户，形成了完善的产品研发机制和网络运行机制。

Our purpose is to ensure the central service in the whole process of pre-sales, in-sales and after-sales. It has increasingly become the basic requirement of our customers for the company. We continue to optimize the internal management of the enterprise and improve the service awareness of our employees, so that every user of Taichang can realize our service slogan "meet your needs and serve carefully". In addition, we have established a strong marketing network integrating sales and service. The company's new products and services can reach the market and users in a timely and comprehensive manner, forming a perfect product development mechanism and network operation mechanism.
